

DECLARATION AND PETITION

As a below named inventor, I hereby declare that:

~~My residence, post office address and citizenship are as stated below next to my name.~~

I believe I am the original, first and sole inventor (if only one name is listed below) or an original, first and joint inventor (if plural names are listed below) of the subject matter which is claimed and for which a patent is sought on the invention entitled

CIRCUIT BOARD HOLDERS AND ASSEMBLIES

~~the specification of which is attached hereto.~~

I hereby state that I have reviewed and understand the contents of the above identified specification, including the claims.

~~I acknowledge the duty to disclose information which is material to the examination of this application in accordance with 37 Code of Federal Regulations §1.56(a).~~

~~I hereby claim foreign priority benefits under 35 United States Code §119 of any foreign application(s) for patent or inventor's certificate listed below and have also identified below any foreign application for patent or inventor's certificate having a filing date before that of the application on which priority is claimed:~~

Number	Country	Day/Month/Year Filed	Priority Claimed
-----	-----	-----	-----

~~I hereby claim the benefit under 35 United States Code §120 of any United States application(s) listed below and, insofar as the subject matter of each of the claims of this application is not disclosed in the prior United States application in the manner provided by the first paragraph of 35 United States Code §112, I acknowledge the duty to disclose material information as defined in 37 Code of Federal Regulations §1.56(a) which occurred between the filing date of the prior application and the national or PCT international filing date of this application:~~

Application Serial No.	Filing Date	Status (patented, pending, abandoned)
N	O	N E

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.
